

Welcome to a SafetyCube workshop about road infrastructure safety

February 22nd 2016, European Road Federation, Brussels
12:30 - 17:30 p.m.

[SafetyCube](#) is a research project in the domain of Road Safety funded by the European Commission under Horizon 2020, the EU Framework Programme for Research and Innovation.

The primary objective of the SafetyCube project is to develop an [innovative road safety Decision Support System \(DSS\)](#) that will enable policy-makers and stakeholders to select and implement the most appropriate strategies, measures and cost-effective approaches to reduce casualties of all road user types and all severities in Europe and worldwide.

On February 22nd, 2016, the SafetyCube project will hold **a workshop for road infrastructure stakeholders** in Europe. The objectives of the workshop are to present the project activities to date and plans for the coming research steps, and to receive feedback from stakeholders concerning:

- **user needs for the DSS** to make it useful - also over time: what information is needed? how should it be presented? how could the system be accessed?, etc.
- **“hot topics” on infrastructure safety** so that the DSS addresses key issues, e.g. policy and research priorities, areas in need of cost-benefit analysis or evidence, etc.

More information is available at: www.safetycube-project.eu/

Please register by sending an e-mail message to c.durso@erf.be if you would like to participate in this workshop. Note that space is limited.

Welcome to a SafetyCube workshop about road infrastructure safety

February 22nd 2016, European Road Federation, Brussels
12:30 - 17:30 p.m.

Agenda

- 12:00 - 13:00 Lunch
- 13:00 - 13:15 Welcome (Konstantinos Diamandouros)
Introduction of participants
- 13:15 - 13:30 Overview of the SafetyCube project
Presentation (Pete Thomas)
- 13:30 - 13:45 SafetyCube approach on infrastructure risk factors and measures
Presentation (Eleonora Papadimitriou)
- 13:45 - 15:00 User needs for the SafetyCube Road Safety Decision Support System
Discussion (George Yannis)
- 15:00 - 15:30 Hot topics for the SafetyCube Road Safety Decision Support System
Selection of hot topics together with Coffee Break
- 15:30 - 16:30 Hot topics for the SafetyCube Road Safety Decision Support System
Discussion (Klaus Machata)
- 16:30 - 17:00 Synthesis and Concluding Remarks
Discussion (Eleonora Papadimitriou)
